

BUILDING HEALTHY ATTITUDES FOR LIFE

USING SPORT AND PHYSICAL ACTIVITY

OUR AIM

To develop the whole child using sport and physical activity as a tool to encourage lifelong health and wellbeing. We strive towards our greater vision of promoting healthy active lifestyles through supporting academic attainment and achievement; ultimately leading to whole school improvement.

About Us

Croydon School Sport Partnerships (Croydon SSP) work to improve PE and School Sport within the London Borough of Croydon. We have been involved with local schools for over 14 years and pride ourselves on delivering a bespoke professional service that best fits the needs of individual schools.

We are a team of passionate and committed educational and sports development specialists with over 45 years combined experience in this field. Our team are commissioned to deliver the 3 School Games Organiser roles in Croydon. We are also the lead organisation for health and wellbeing as well as Leadership and Volunteering for schools across 5 South London boroughs.

Through our partnerships with key stakeholders in the educational field, including Youth Sport Trust, London Sport and Create Development; we are enabling schools throughout Croydon to access a great array of opportunities. This includes programmes such as the Change 4 Life extended projects, leadership, inclusion, teacher and curriculum support and competitions (including the School Games) from intra-school to national level.

Our membership service to you

Croydon SSP provides expertise across the full spectrum of Physical Education, School Sport and Physical Activity. Schools will receive a personalised package designed to enrich the curriculum and enhance their PE offer.

"Folio Education Trust is proud to have worked closely with Croydon SSP over the last two years and are impressed with the level of professional support and specialist knowledge they provide to schools who may not otherwise have the capacity to introduce children to the importance of health related fitness and the time to ensure whole school improvement in school sport."

Jonathan Wilden
Executive Headteacher
Folio Education Trust

STRATEGIC REVIEW

Utilising the new PE, Sport and Health Assessment Tool. This comprises of:

Half day action planning session and regular follow ups including use of PE, Sport and Health Wheel

Half day monitoring and evaluation session including an infographic highlighting the key areas of focus

BOROUGH WIDE TRAINING

Access to 30 hours of CPD organised by Croydon SSP including our popular annual conference

BESPOKE SUPPORT

Bespoke days targeted to improve the areas important to individual schools (numbers of days depends on package taken). This includes specialist course options.

COMPETITIONS

Access to 76 hours of inter school KS2 competitions – this includes priority booking for non-school games events. Please see the live Croydon SSP competition calendar which is regularly updated.

FESTIVALS

Access to 8 hours of non-competitive opportunities for all key stages guided by our member school requests.

STRATEGIC REVIEW

"As my first year in the role as PE co-ordinator, the assessment wheel has given me the opportunity to assess what our current strengths are as a school and select specific target areas for future development. It has also helped me to direct where the PE funding would be most useful to support our children most effectively."

Karen Sisson
PE Coordinator
Courtwood Primary School

Overview

Action Planning – to devise a mutually agreed plan tailor made to suit each school

PE, Sport and Health Wheel - This easy-to-use, popular online tool allows schools to identify the impact of their PE and sport premium

Monitoring & Evaluation – recording, reporting and evaluating your data

Infographic – a visual summary showing the benefits gained from your membership throughout the academic year.

Outcomes

Clear objectives for schools' PE development plan leading to whole school improvement

Schools that can demonstrate that they have achieved Ofsted recognised standards in PE, sport and competition

High performing schools who can evidence and demonstrate impact

A clear shared journey for schools to reflect upon, celebrate progress and identify needs

Assess and evidence the impact PE is having on your school

BOROUGH WIDE CPD

Overview

Continuous Professional Development – curriculum support, sports courses, project specific training

PE Conference – inspiring annual PE and Sport conference providing teachers, head teachers and governors with a variety of hot topics and practical ideas

PE Co-ordinator Meetings – regular updates on the local and national PE picture, current initiatives and upcoming opportunities

Networking – regular opportunities to meet with colleagues and partners to exchange experiences and share success

Outcomes

Upskilled staff who are models of good practice and are excelling in their roles

Knowledgeable staff who have a clear understanding of the local, regional and national picture and the implications this has on the school

Enthusied school practitioners operating within a wide network of partners

BESPOKE SUPPORT

HIGH QUALITY PHYSICAL EDUCATION AND SCHOOL SPORT

Creating PE lessons that are engaging and meet the needs of the whole school.

Overview

Curriculum Planning – assistance with all aspects of strategic and practical planning

Team Teaching – one to one guidance, practical support, lesson observations and constructive feedback

Mentoring – support and guidance to enhance an individual's skills, knowledge and performance. Ideal for new PE Co-ordinators, NQT's, coaches as well as wider school staff

School Games Mark – additional support to improve the level of the award attained

Outcomes

Active young people with both the commitment and confidence to succeed in PE, school and community sport

Motivated students who have the knowledge, understanding and desire to improve in all areas of the curriculum

Knowledgeable and inspired teachers who are well supported and confident to deliver to a high standard

A varying and fully inclusive curriculum

PROFESSIONAL DEVELOPMENT

Developing and investing in our teaching staff to ensure the highest standards for the benefit of rounded learners and the whole school community.

Overview

Leadership for PE Co-ordinators – specialised training to learn to lead rather than manage. Sessions involve observation, feedback and strategic thinking

Team Teaching – one to one guidance, practical support, lesson observations and constructive feedback

Mentoring – support and guidance to enhance an individual's skills, knowledge and performance. Ideal for new PE Co-ordinators, NQT's, coaches as well as wider school staff

School Games Mark – additional support to improve the level of the award attained

Outcomes

PE Co-ordinators are more equipped to look strategically at PE and the impact it has across the school

Successful learners who achieve their best in a highly stimulating and friendly environment

Teachers and other staff with an understanding of how to progress and fully reach their potential

Staff who are confident in initiating activities to enable a varied and active break time in a controlled environment

HEALTH & WELLBEING

Adopting a holistic approach and developing appropriate interventions to provide opportunities which lead to whole child development.

Overview

Leadership – courses for Yr 1 - Yr 6 designed to foster responsibility. These include play leaders, sports leaders and training on officiating

Targeted interventions – specific initiatives to engage hard to reach groups such as those who are less active, at risk of obesity or exclusion

More Able Gifted and Talented – our unique programme covering fitness testing, self-analysis, high level training and advice

Active Lifestyles – innovative and creative projects that make a significant impact and encourage physical activity within the extended school community

Daily Mile Support – guidance in setting up and embedding this national initiative within your school

Custom Events – built around school's requests, e.g. new sports, cross curricular, topic based, skill acquisition and workshops

Custom Events – built around school's requests, e.g. new sports, cross curricular, topic based, skill acquisition and workshops

Mass Participation Events – aimed at the whole school/key stage e.g. whole school cross country, sports days

Outcomes

Empowered individuals who are able to rise to the challenge and accept responsibility

Creating pupils who are well adjusted, confident and have high self-esteem and self-worth

Resilient and adaptable pupils who are able to show initiative, problem solve, work as a team and make appropriate decisions for themselves

Active schools and active communities who enjoy and promote positive attitudes to a healthy lifestyle

Effective strategies to tackle a range of issues such as health, behaviour, attendance and attainment

Pupils that feel assured of their own talents and have aspirations to improve further

Improving concentration levels, mood, behaviour and general wellbeing as well as physical fitness

The Y4 Multi-Sport Festival was one of the best PE sessions I've seen. The use of space, students' behaviour and focus throughout the activities, quality of secondary school Sports Leaders - I have taken lots of ideas out of it. We look forward to the next event.

Nicola Robertson
Assistant Head Primary Phase -
Lower KS2 Oasis Academy Shirley Park
